

Aiming High

High Schools for the 21st Century

Aiming High: High Schools for the Twenty-first Century is a practical, useful document that outlines in 10 chapters a plan for raising student achievement and implementing a standards-based education. Parents, teachers, and administrators will find this publication on high school reform helpful and informative. The book contains discussions of the roles of assessment and data, the provisions for English learners, and the support systems needed for all students' success.
